### Programme Specific Outcome (PSO):

Four year Integrated Course in Journalism and Mass Communication will bring in an overall familiarity of the field to the students. They should be proficient in theory and practice of the media in general.

- PSO-1** To launch students into the study of communication, media and journalism.
- PSO-2** To spark students' curiosity about the fields of communication, media and journalism.
- PSO-3** To prepare students for more complex and advanced-level courses in the subsequent Semesters
- PSO-4** To identify the distinct but overlapping nature of the fields of communication, media and journalism
- PSO-5** To describe the key concepts and ideas relating to communication, media and journalism
- PSO-6** To recognize the significance of changes in the practice of communication, media and journalism
- PSO-7** The programme should prepare the students as 'ready to be recruited by the media houses, where the programme will ensure jobs to all the students who undergo this programme.
- PSO-8** The products of the programme are open for changes in the field, that happen time to time and cope up the new challenges.
- PSO-9** The programme ensures responsible citizens to the society as a product.  
The programme will facilitate job opportunities for all those who invest four years in attending this programme.
- PSO-10** The programme ensures that the products of the programme are not only good in technology but also respect the ethics of the field.

## B.A. Semester – III

### DSCC-1 : News Reporting And Analysis (Theory) (Code: 013JMC011)
